

WELCOME TO THE ANNUAL **CSS** FUNDRAISER!!

We are so excited about all our new and returning students! It's going to be an amazing year! Know the money raised is essential for us to have a successful competition season.

What the Money is Used for:

The proceeds go toward the cost of materials and labor for costumes and sets and props. This fundraiser helps decrease the amount parents pay out of pocket.

Fundraising Dates: October 1st – November 3rd

*Because we need to get our pie and candy order in before the holidays – this date will not be extended for Pie Orders. By November 3rd (at 8am), we asked that you fill out the online Google Form on the Team Portal with Pie Orders and your See's Candies sales, and we can charge our card on file for any fundraising obligation balance that is remaining. If you do not fill out the Google Form, we will charge the account on file your fundraising obligation on Thursday November 6th.

Fundraising Profit Obligation

CSS TEAMS

Each CSS performer needs to raise their PROFIT amount due, based on their number of teams.

- Sale Amount – Item Cost = PROFIT

If "Sally" is on 1 team, she needs to raise a minimum of \$100 profit

If "Sally" sells one pie for \$27 and it costs \$17, she makes \$10 profit.

Therefore, Sally needs to sell 10 pies to raise \$100 profit.

# of Teams	Profit Amount or Buyout Amount
1	\$100
2	\$200
3 or more	\$300

BEAT TEAMS

Each BEAT dancer needs to raise a PROFIT amount of **\$300** to help offset the cost of the program and support participation in multiple competitions and conventions throughout the year.

**** TOTAL FAMILY profit minimum (and / or buy out amount) is \$500**

Fundraising Options:

1. Fundraise the full profit amount

2. Fundraise as much as you can, then pay the balance to reach the full profit amount
3. Buyout and pay the full amount (no fundraising).

NEW FUN FUNDRAISING INCENTIVES & REWARDS

Like last year – if your performer fundraises money or donates via Buyout **ABOVE** their individual goal – they are eligible for some fun incentives.
